Custom Made Mechanisms

All our locking mechanisms are designed and crafted in house, ensuring our products stand the test of time.

HAND-MADE FROM RECLAIMED WOOD

Most of our pieces are made from reclaimed wood meaning each one has its own story to tell.

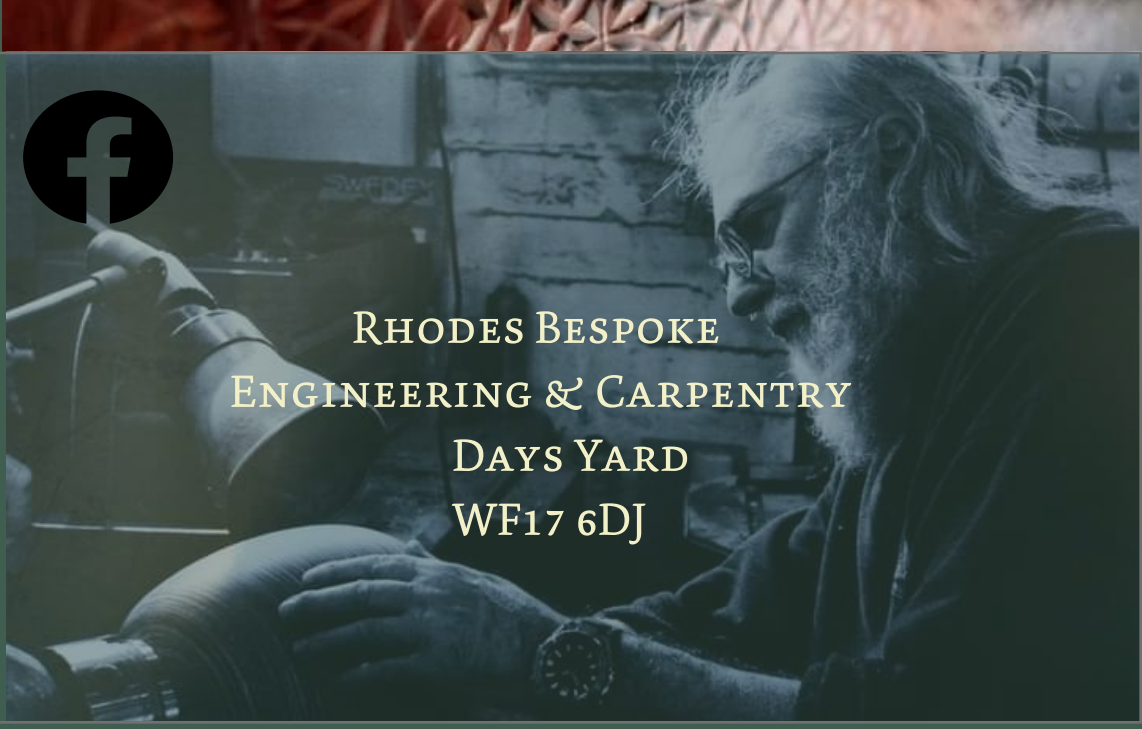

UNIQUE DESIGNS

No two products are ever the same. Attention to detail is paramount at Rhodes and we add our own unique touch to each piece we craft.

WHO WE ARE

We are Yorkshire based engineers and carpenters, who have a passion for creating high quality, unique products from original designs.

WHAT WE DO

Here at Rhodes who hand engineer bespoke pieces using a mixture of exotic hardwoods and stainless steel. All fittings and fixtures are designed, machined and finished in house to uphold our excellent build quality. Our metals are 100% Stainless Steel or Titanium ensuring that our products never rust.
